

Tax Reclaim

Tax Reclaim – Form 85

The refundable withholding tax is calculated based on the source data of the bank and a DTA (double taxation agreement) table and is reported in country specific tax reclaim forms:

- Form 85 (Reclaim of the Swiss withholding tax for German banking clients)

I. Comfortable tax reclaim forms

II. Original tax reclaim forms (approved by the Swiss Federal Tax Administration)

III. Details of income transactions with Swiss withholding tax
